

**products that
invite possibility**

Think about a world without insurance. No one could comfortably take a risk. People would fear driving. They couldn't afford to fix their homes. They wouldn't enjoy a boat ride on a sunny day. Safeco® products open the door for possibility. The promise that comes with these products allows a person to go confidently and make lasting memories each and every day. That's peace of mind.

Safeco
Insurance™
A Liberty Mutual Company

achieving peace of mind with comprehensive coverage

There are few things more devastating in life than a total loss that's not covered. Safeco aims to avoid that with coverages customers will only find with Safeco and product lines broad enough that agents won't need to split policies across multiple carriers.

RV

Classic Car

Multiple coverage levels and optional endorsements available to **tailor protection** for each customer.

True umbrella product extends coverage for home and auto and covers risks that may not otherwise be covered.

Several discounts available for each product, including major savings when multiple policies are purchased.

A unique **telematics program**, allowing customers more control over their premium.

Agreed value coverage available on some products.

Sophisticated rating system offers the most attractive rates to the most preferred customers.

As customer lifestyles change, the risks change, and Safeco products follow that evolution to ensure every customer can protect what they value most not just today, but every day in the future. Life without worry.
